Orientation Meeting

Tuesday 8/12

Debrief

Main goal of this meeting:

- Introduce our officers
- Overview our current roadmap for this school year
- Discuss bi-weekly schedule
- Answer questions and receive feedback

Officers

Jake Cu
President

**Jonathan
Filomeno**
Vice President

Isaac Heydelaar
Secretary

Isabella Garcia
Treasurer

Gabriel Valdes
Historian

Roadmap

August

- Begin taking on “missions” from the school to resolve technical matters
- Participate in the Luwow as a beverage vendor
- Introduce hardware & software

March

- Possible collab with Women in STEM

September/October

- Form an alliance with Y4SF, assisting Jonathan with his webmaster job
- Offer volunteering in e-waste scrapping and disposal

April

- Tutor AP CS students for the CSP/CSA exams
- Crown officers for the next year should the club continue

Schedule

- We plan to cover both hardware and software throughout this year following a bi-weekly schedule
- During our next meetings (Tuesday 8/19 & 8/26) we will begin our introduction into hardware
- Afterwards, we will begin the introduction into software (Tuesday 9/2 & 9/9) and alternate the subject every two weeks

Next Meeting

Tuesday 8/19

Ground plan:

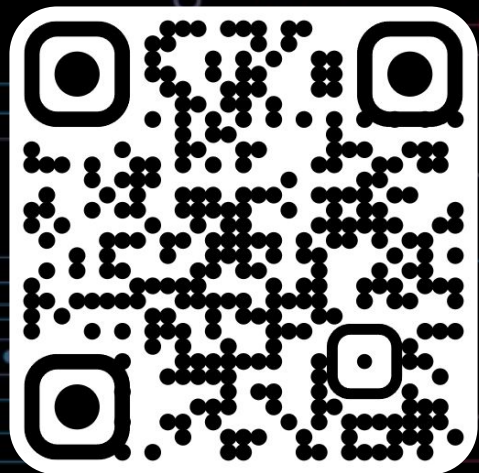

- Introduce the basic computer parts
- Suggestions in purchasing electronics
- Discuss the current mission
